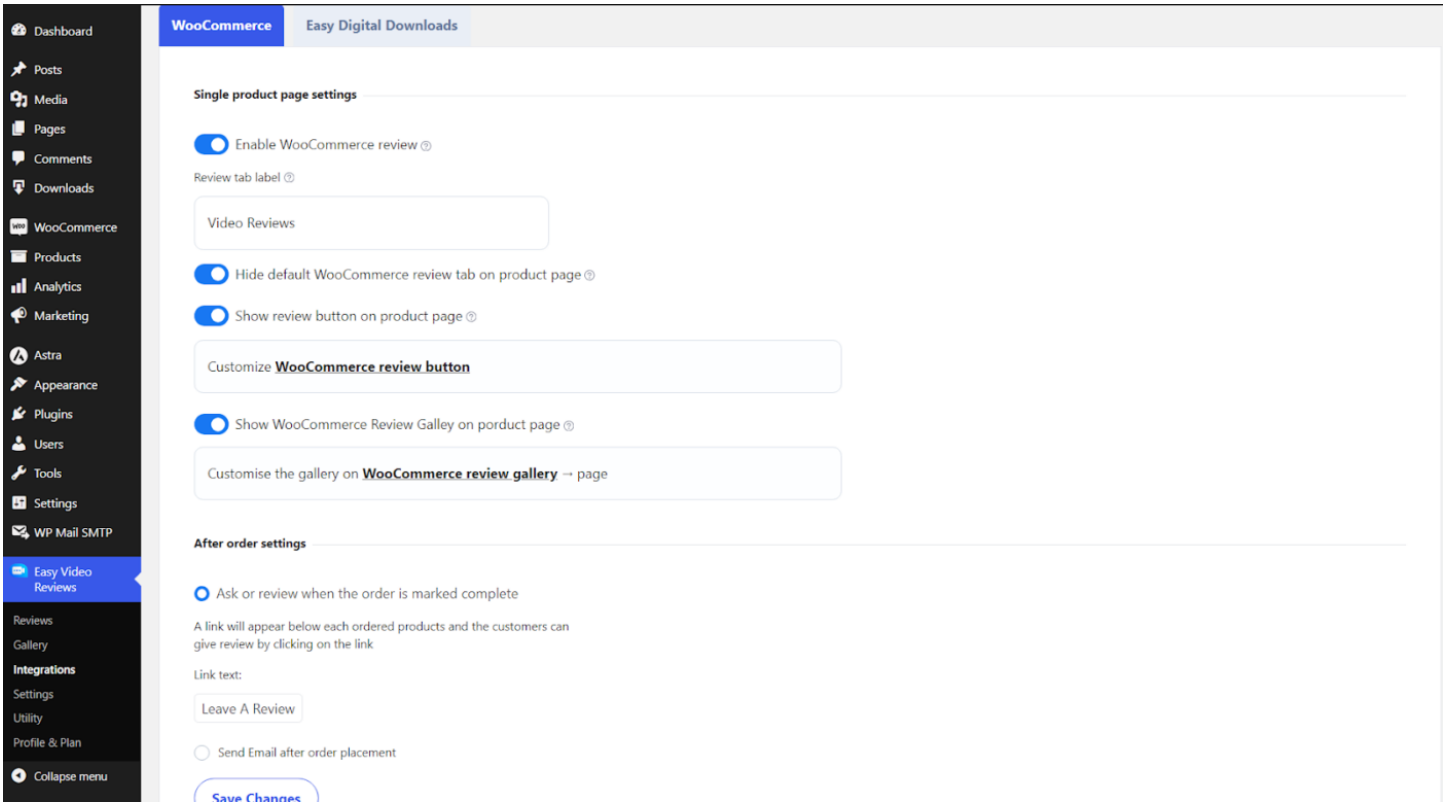
How to collect customer testimonials on WooCommerce

Easy Video Reviews · https://wppool.dev/docs/how-to-collect-customer-testimonials-on-woocommerce/

Easy Video Reviews make the testimonial collection journey easier on WooCommerce. To enable this functionality go to **WP Dashboard > Easy Video Reviews > Integrations > WooCommerce**.

Here you can enable WooCommerce reviews on your product page. You can also hide the default Review tab that comes with WooCommerce and include our review button.



Now your customers can leave a testimonial on the product page.
